er, of Virginia, proposed a resolution colution was adopted, and the committee blicans or Douglass Democrats, exwere selected because there were either Whigs nor Douglass Democrats names of the committee were ansunced, R. Davis was approached by both Mr Barksdale and Mr. Singleton, who desired to know it he would act upon it. He hed he would be guided by his convicas of what was best and right. Soon aferwards, Mr. Jeff Davis approached him dasked if he had fully determined his action under the appointment. Upon the reply that he had, Mr. Jeff, Davis turned away, remarking that further discussion was useless. Dining with Mr. Jeff. Davis that afternoon, R. Davis met Mr. Barkslale, Col. Hardie and others. It was evident that all were strongly opposed to his serving upon that committee, so much so that he refused to allow his duty in this respect to be made the subject of further con-versation. Hawkins and —— asked to be excused, but this request was refused by

committee met, R. Davis attending but Hawkins and _____, absent. After the committee was organized, R. Davis being the only Democrat present, a demand was made by the Republican members that he should formulate the grievances of the South. He declined to put anything upon paper but made an elaborate oral statement. Some days were consumed in reply. The committee becoming alarmed by the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession, then introduced a responsible to the progress of secession. not at all phregenate, sand said: "Some men will olution, declaring that harmony prevailed, olution declaring that harmony prevailed, olution, declaring that harmony prevailed, olution declaring that harmony prevailed in the whole, hard of diagnets and state of the harmony prevailed in the whole, has When this telegram was prepared, no man in Washington doubted the secession in When the state and all were analyses that seession men are never pretty till they are old—the long reign of bair powder which lasted through a pentury is an immortal such that seession most silly scribbler charges, when I am shible; all believed that the guestions at Isade difficed beyond the possibilities of compromise, and every thoughtful mind recognized the tact that prompts and one of the sees that prompts action and sees that the cellar for safety.
